

## Rugby History

Rugby was history since 1823. The playing football game to England school, Began from that began to run with the aim goal of player of opposite is still laden ball. Also, at that time football Rugby rule be allowed to used hand take a hand the ball no problem, Rule violationst to run wits a ball.

In 1900s, Various school had carried out (after rugby) football each in its own rules. Talks aimed at unification of the different rules in each school have been done a long time, 26/Oct/1863 was Freemasonry's Tavern with London FA(football association) meeting was held between the 12 clubs in London, 6meeting rule went to December. Modern football was born earnest by this unified rule creation. Club representative of some, Take to run the ball, (That kick the knee) hacking into the person you are carrying the ball, Can't be agreed to be performed holding (that suppress) and (with trip hook) tripping isn't recognized, Withdrew FA.

That the moment branched Rugby football and association football (soccer).

Also 1871years, withdrew people, Against (Football Association, founded in 1863) to the FA of football, Rugby Association in London (RFU: Rugby Football Union) was established.

It is most famous rugby team all bracks in now. This team is most strong team. This team was won all Varsity team.

Rugby is newzealand ofical sport. They are dansinng Haka before game.
