

NZ GREAT NATURE IN PALMERSTON NORTH

Massey University is the biggest in New Zealand. It has about 40000 students. About 5000 students come from foreign Countries. So, we can see many different cultures and lifestyles.

Massey University has many Undergraduate Programs. The most famous is veterinary medicine.

At this university you can take the qualification for five countries. And there are great facilities. For example, a hospital, post office, bank...etc.

This local broadcaster is the most popular in Palmerston North.

There is a sign to convey "Welcome to Palmerston North" on the road at the boundary line of Palmerston North.

There are a lot of plants around and it is lit up at night. It is great and welcomes people into Palmerston North.

"The square" in the center of town

The ornament of art was in the town and there were chess pieces about 1 m high in an open space. Outside, there was a beautiful pond.

Cereal is popular in New Zealand for breakfast. Cereal bars are popular for morning tea too. I recommend you to eat the cranberry cereal bar. It was very delicious.

Massey University Campus

In addition to this. Massey University has rare buildings compared with other universities. For example, A Wedding hall and Radio station. It's a nice facility.

Massey universities Radio station started 20years ago.
